COMMISSION

Please do not consider cutting any  
Postal Service services. I am a senior citizen  
who depends on my mail service on a daily basis.  
Do not close post offices or cut hours of  
operation. Especially do not tamper with FIRST  
CLASS mail. I receive and send first class  
mailings for my monthly invoices. My neighbors  
and family members also depend on the first  
class mail!!! Thank you for your immediate  
attention to this serious matter.

Sincerely yours  
S. Moldas

As you can surmize I do not  
Send mail electronically  
Need first class to remain  
available!
